

UNIT = METER

Technical drawing of a mechanical part, likely a bracket or plate, showing dimensions and section lines. The part is elongated with rounded ends and contains three circular holes. Dimensions are given in millimeters (mm). The total length is 3.64 mm. The width is 1.70 mm. The distance between the centers of the holes is 1.30 mm. The distance from the center of the middle hole to the center of the end holes is 1.17 mm. The diameter of the holes is 6 mm (ø6). Section lines are indicated by dashed green lines, and section A-A is marked at both ends.
